

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience successfully marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to offering new design concepts and top quality to be able to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They enjoy providing products which energize both their dealers and their partners and offer production gains to their clients.

The TREK team of workers enjoys new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs along with their knowledge of cleaning applications, together with owners' strong desire to considerably lower expense through productivity gains.

When considered necessary, the staff members within TREK and its various dealer members in both technical support and parts would be available. Amongst their core values is their high service dedication in their customer service. Keeping their customers' cleaning machines ready and working on a daily basis is top priority. The company's top of the line technology delivers reliable machinery which ultimately lessens your cleaning expense. The product, the price and the service all work as one so as to make them the leader in the industry.
